The team halts and the handler leaves the dog. The handler walks to the Turn Call to Front (angled) sign and calls the dog to front position. The dog must come and sit at front. The Turn Call to Front (angled) sign is placed a minimum of ten feet away from the Halt Leave Dog sign and set approx. 6 feet to the right or left of the Halt Leave Dog sign. The dog must come in at an angle and sit in front position. The handler then cues the dog to Finish either Right or Left
